Welsh National Tractor Road Run at Conwy 2020

John and Anne Bates from Rhayader Mid Wales established the WNTRR in 2012 to raise money for charity. The road run is organised in Conwy for the first time this year. John and Anne Bates asked Gareth Lloyd a tractor enthusiast from Conwy County to organise this year's WNTRR in North Wales. The enthusiast has formed a Committee for the Event. From this formation, an operating club was decided upon named Clwb Tractor Dyffryn Conwy/Conwy Valley Tractor Club.

The WNTRR will take place on Sunday 14th June 2020 in Conwy County. All tractor enthusiasts participating will start the road run from Dinarth Hall, Caravan Park, Rhos on Sea at 9.30am. They will be based at the site from Friday pm 12th June through to Sunday 14th June. The event will show case The Great Orme, Conwy Castle, Conwy Valley, returning from Llanrwst through Llanellian, Old Colwyn to Rhos on Sea returning to Dinarth Hall. All entrants will have family, friends and supporters of this Annual Welsh event, visiting the local area.

There will be at least 300 tractors participating in the charitable event with enthusiasts attending from all around the country. The committee has chosen to raise money for Welsh Air Ambulance, Ty Gobaith, St David's Hospice and Royal Agricultural Benevolent Institution (R.A.B.I.).

This is the first time that Conwy has hosted such an event and the committee invites you to be part of its success. The success of the event will depend on the assistance of volunteers and sponsors on the 13th and 14th of June. The costs for running the event will include marquee hiring, tables' chairs, portable toilets, event Insurance, marketing, printing, and postage.

The event will require sponsors and businesses in North Wales to take the opportunity to promote their own business in advertising in the programme of the Tractor Run. We will be publishing a programme with all participants' names where businesses can advertise. A half page advert A5 for £35 or a full page advert A5 for £60. If you can help in any way and for more information about advertising please contact:
